

*Here is an example of how you can use a self assessment quiz to measure an intangible trait like being Authentic, Empowered and Connected.*

## 1) Are you in your Authentic Business?

		T	F
1	I chose this business because I am passionate about it.		
2	My business uses my top skills and experience.		
3	I know who to hire/partner with to compensate for my weaknesses		
4	I feel I need more credentials to be successful in this business		
5	I love what I do and I would do it for free.		
6	I feel that my services/ products are needed in the world.		
7	I fear or get intimidated by competition; they are doing this better than me.		
8	I know what my purpose is and it motivates me.		
9	I'd do something else if I could make more money with it.		
10	I'd like to do something else but my spouse/mom does not approve.		

### How to interpret your results

Progress starts with the awareness of the present situation. Read the statements and circle T for true and F for false. Answer for what you do most of the time.

Give yourself 1 point for every correct answer, and then calculate the total.
